

## **Call for student ensembles of pre-academy level: ECMTA and Kuopio**

### **Winter Chamber Festival concert at the Kuopio Music Centre (Finland)!**

European Chamber Music Teachers' Association is dedicated to creating new opportunities for the student performers or chamber music. The cooperation between ECMTA, Savonia Academy of Applied Sciences and Kuopio Conservatory will feature a concert in Kuopio Music Centre in the frames of the Winter Chamber Festival (*Talvikamari-festivaali*) on 24.02.2024. All student chamber music groups from ECMTA member institutions of pre-academy level are invited to present their candidacies for performing in this concert. Up to 5 groups will be chosen. Each group should consist of 2-5 members and is expected to perform a 15-20 minutes program of free choice. The interested groups should submit their [application form](#) with the videolink of their performance by 31st of October 2023. The video should be 8-10 minutes long and include part of the program for the Kuopio concert. ECMTA will cover the accommodation and lunches in Kuopio for up to 5 student groups. The groups are responsible for their own travel expenses including insurance. Further information will be posted on the ECMTA website and social media.

#### **Information for teachers:**

In the frames of the Winter Chamber festival, the masterclasses will take place in Kuopio Music Centre on 22-23.02.2024. The teachers who are interested in teaching in masterclasses and attending the concert on 24.02.2024, can apply for ERASMUS funding. On 24.02.2024, all members of the ECMTA will be invited to participate in an online pre concert discussion about chamber music pedagogy. Further information will be posted on the ECMTA website and social media.
